

Press Release

Düsseldorf, October 2012

Extract from Dossier Henkel Innovation Challenge/Original Recordings and Interviews

Sylvie Nicol

General Manager Beauty Care France

“Henkel Innovation Challenge gives the opportunity to students to get closer to one of the world's leading companies. Henkel managers support students to open the doors of this global company and gain valuable insights on its products, technologies and markets. Competing against students from all over the world and fighting for your innovative ideas will be an unforgettable experience.”
